

FINDING AID: NAKED GIRL ON THE APPIAN WAY, A (2005) SET DESIGN

Collection Overview

Identifier: NAKEDGIRL2005 Set Design

Inclusive Dates: 2005

Scope and Content

This folder contains a working ground plan of the set with notes and furniture sketched on it in pencil (in what looks like John Lee Beatty handwriting), correspondence regarding rental of the kitchen appliances, correspondence surrounding and invitations to the bid session including a breakdown of the accepted bid from Great Lake Scenic Studios, and a color photocopy of the scenic rendering and surface texture research.

Access Restrictions: Open and available to approved researchers by appointment only.
