

## FINDING AID: PYGMALION (2007) PRESS FILE

### Collection Overview

**Identifier:** PYGMALION2007 Press

**Inclusive Dates:** 2007

### Scope and Content

This folder contains faxed pre-production press and some reviews for "Pygmalion", from publications such as the New York Times, LA Times, Entertainment, People magazine, Wall St. Journal, the New Yorker, Vogue, New York magazine, Associated Press, and other regional and local publications. Much of the early press focusses on this production being Claire Danes' Broadway debut, and on her co-star Jefferson Mays. Oddly, copies of some reviews from major publications (such as the New York Times) are missing from the folder, although they were accessed online.

As far as press goes, there is also a good amount of general Broadway 2007 - 2008 season press, and a number of articles about the Local 1 Theatrical Union Broadway strike that occurred during October 2007. The folder also contains press releases, correspondence, and internal announcements of press events.

**Access Restrictions:** Open and available to approved researchers by appointment only.
