

FINDING AID: LIAISONS DANGEREUSES, LES (2008) SET DESIGN FILE

Collection Overview

Identifier: LESLIAISONS2008 Set Design

Inclusive Dates: 2008

Scope and Content

This folder contains scene breakdowns, automation spreadsheets, furniture and scenic moves (with mini ground plans showing the placement of the pieces), cue lists and preset spreadsheets, and other stage management-type documents. It also includes the lease and build agreements with Scenic Technologies, an invoice/quote from I. Weiss to build the draped scenic piece with webbing (that everyone from stage management reports to I. Weiss themselves refers to as the "Blob"), and correspondence.

Access Restrictions: Open and available to approved researchers by appointment only.
