

## FINDING AID: HEDDA GABLER (2009) EDUCATION AND RESEARCH FILE

### Collection Overview

**Identifier:** HEDDA2009 Education Research

**Inclusive Dates:** 2008 - 2009

**Extent:** 2 sub-folders

### Scope and Content

These two folders contain photocopied research; one is obviously research done by the Education department, with reviews of previous productions, articles about the character Hedda Tesman, notes for an Upstage study guide, and correspondence. The other folder is a bit mysterious; it contains a copy of sheet music for "Prelude in E Minor", a chronological survey of Ibsen's life, color inkjet prints of a building exterior and a Norwegian landscape, more of the faxed diary entry pages like the ones in the Prop File, and some with similar content but handwritten in looser script, and printed reviews of "The Seagull" with Kristen Scott Thomas.

**Access Restrictions:** Open and available to approved researchers by appointment only.
