

FINDING AID: SELWYN THEATRE HISTORIC RENOVATION

Collection Overview

Identifier: 2013.260.1

Inclusive Dates: 1980 - 2000

Extent: 25 boxes

Scope and Content

The collection consists of six series covering architectural, construction, administrative, urban planning, publicity, and photographic aspects of the renovation. The Selwyn Theatre Historic Renovation Collection incorporates institutional files as well as project files donated by the primary architect of record, Karlsberger, which ceased business operation in 2011.

Access Restrictions: The collection is open and accessible to researchers. As the materials relate to a prominent building in the Times Square corridor of New York City, particulars in design specifications, plans, elevations, and financials are restricted. For detailed information regarding use of this collection, please contact the Roundabout Theatre Archives at archives@roundabouttheatre.org or by calling 212-719-9393.
