

FINDING AID: MAN WHO HAD ALL THE LUCK, THE (2002) SET DESIGN FILE

Collection Overview

Identifier: MANHADLUCK2002 Set Design

Inclusive Dates: 2002

Scope and Content

This folder contains 13 polaroid photos of the set and set dressing (perhaps taken at the scene shop; some of which have handwritten labels), two folded blueprint ground plans (plates 1 and 2), an automation cues list, the rental agreement for automation pieces and correspondence with Feller Precision, versions of the scenic build agreement with Atlas Scenic Studios, correspondence regarding open flame permits, and general correspondence.

Access Restrictions: Open and available for research by appointment only.
