

## FINDING AID: CYRANO DE BERGERAC (2012) MASTER SCRIPT AND DIRECTOR'S SCRIPT FILE

### Collection Overview

**Identifier:** CYRANO2012 Master/Dir Script

**Inclusive Dates:** 2012

### Scope and Content

This folder contains two scripts: the first one is a pristine 139-page unbound master script with a date of September 30, 2012 printed on the cover page. The second undated 144-page script is assumed to be the director's script, and has been bound with a binder clip and heavily used; it has copious handwritten notations (in a variety of different inks) that have to do with emphasis, motive, emotion and speed, and some pages have fallen out and been tucked back into the middle.

**Access Restrictions:** Open and available to approved researchers by appointment only.
