

FINDING AID: PICNIC (2012) DIALECT AND PERIOD RESEARCH FILE

Collection Overview

Identifier: PICNIC2012 Dialect Research

Inclusive Dates: 2012

Scope and Content

This folder contains a cd with Kansas dialect sound clips, a document entitled "The Kansas Dialect for Picnic" created by voice coach Kate Wilson, correspondence from director Sam Gold, and a 27-page document entitled "Chapter 11" from an unidentified source--memoir-style prose about visiting William Inge and a man named Tenn (presumably Tennessee Williams).

Access Restrictions: Open and available to approved researchers by appointment only.
