

## FINDING AID: MACHINAL (2013) SET DESIGN FILE

### Collection Overview

**Identifier:** MACHINAL2013 Set Design

**Inclusive Dates:** 2013

### Scope and Content

This folder contains the scale drawing of the master ground plan, a scene-by-scene presentation given by designer Es Devlin and director Lyndsey Turner in November 2013 with ground plans and model shots of each scene (grouped together in clear sheet protectors), and black and white inkjet prints of old versions of model photos.

**Access Restrictions:** Open and available to approved researchers by appointment only.
