

## FINDING AID: TARTUFFE (2002) PROPS FILE

### Collection Overview

**Identifier:** TARTUFFE2002 Props

**Inclusive Dates:** 2002 - 2003

### Scope and Content

This folder contains photographic prints and negatives of a carousel horse (which seems to have been used on a pedestal as a prop sculpture of Louis XIV mounted on horseback) plus lots of photocopied research of similar statues, prop lists, prop presets and a scene shift plot, a mini ground plan, and correspondence. There is also an open letter to shops asking for quotes to build the Louis XIV sculpture.

**Access Restrictions:** Open and available to approved researchers by appointment only.
