

FINDING AID: JUNO AND THE PAYCOCK (2000) PRODUCTION FILES

Collection Overview

Identifier: JUNO2000

Inclusive Dates: 2000

Extent: 2;22 boxes;folders

Scope and Content

The production consists of 2 Hollinger boxes with 23 folders, 3 copies of Playbill, 3 opening night invitations, a direct mailer piece, and an 8x10 black and white photo print (with negative) of the cast and crew. The records reveal a fairly comprehensive look at the production, with an intact prompt script, fittings images, set, sound and lighting documentation and administrative documents.

Oversized drawings include 7 pages of mouldings, 1 light plot (with revision plot), 8 pages of ground plans, and 12 pages of drawings by Noble Theatrical.

The digital files contain:

PDF of Education study guide

General Management files that contain digital contracts, memos (18.4MB)

mp3 track of incidental music (810KB)

B-Roll (containing both .mov and mp4 copies (15.5GB)

PDF of playbill

TIFF and PDF of select press clippings (494MB)

18 color and black and white prints (2.58MB)

2 PDFs of set elevation (296KB)
